

The Second Annual NYS Mesonet Symposium

Call for abstract and registration

We are pleased to announce the second annual NYS Mesonet Symposium, to be held September 13-14, 2022 at UAlbany's brand new [ETEC building](#). Similar to last year's Symposium, this will be a chance for people from academia, government, and the private sector to present on research, operational uses, or other topics related to the NYS Mesonet. Also similar to last year, there is no cost for attending the symposium. Presentations will be given in person along with a Zoom webinar for remote viewing.

Key information:

Abstract deadline: ~~July 15, 2022~~ **Extended to July 29, 2022**

Abstract acceptance: August 12, 2022

Registration deadline: August 19, 2022

Location: ETEC Building, Harriman Campus, University at Albany, Albany, NY

Cost: \$0

To submit an abstract, please visit our [abstract submission page](#).
